Speaker

Dr. Francesco Maria Senatore

Internationalization Group Coordinator

ALISEI

Francesco Maria Senatore joined TLS Foundation in September 2006 as responsible for Business Development. He is in charge of the interaction with investors for the start-up of companies incubated at the Science Park and offers them BD consultancy. In addition to that he also represents the TLS Science Park within national and international organizations such as ALISEI, Assobiotec, APSTI and CEBR.

He holds a Degree in Biology and has more than 20 years of experience in the pharmaceutical and biotech industry covering mainly International Marketing & Sales positions first with Upjohn Italy and then with Chiron Vaccines firstly in the Clinical Department as Clinical Research Associate, and then as Export Manager for the Middle East Area, Strategic Marketing Manager for the Meningococcal franchise and as Political & Governmental Affairs Manager. Prior to joining TLS Foundation he worked for almost three years as Head of Planning and Information Service at Siena Biotech a start-up company focused on R&D for new therapies in the CNS sector.
